CATÁLOGO 2025

QUEM SOMOS

WHO ARE WE?

PT

A Ferragens Aguiar é uma empresa portuguesa fundada em 1992, em Águeda, especializada na conceção, produção e comercialização de ferragens para os setores de mobiliário, construção civil e construções pré-fabricadas.

Em 2023, iniciámos um novo capítulo sob a liderança de três engenheiros com vasta experiência em setores como o automóvel, ciclismo, militar, aeronáutico e farmacêutico. Esta combinação de tradição e inovação permite-nos oferecer, além dos nossos produtos padrão de marca própria, soluções personalizadas para clientes de diversas áreas, sempre com foco na qualidade e na adaptação às suas necessidades específicas.

Escolher a Ferragens Aguiar é optar por uma empresa comprometida com a excelência, qualidade e inovação! Com décadas de experiência e um know-how que abrange múltiplos setores, temos os meios e as capacidades para sermos o parceiro ideal em projetos novos e atuais. Confie em nós para levar os seus projetos ao próximo nível!

Quer precise de uma adaptação de um produto existente ou de uma criação completamente nova, a nossa equipa tem a capacidade e a experiência para entregar soluções otimizadas, eficientes e inovadoras!

Seja qual for o seu desafio, estamos prontos para transformar as suas ideias em realidade!

EN

Ferragens Aguiar is a Portuguese company founded in 1992 in Águeda, specialising in the design, production and sale of hardware for the furniture, construction and prefabricated building sectors.

In 2023, we began a new chapter under the leadership of three engineers with extensive experience in sectors such as the automotive, cycling, military, aeronautical and pharmaceutical industries. This combination of tradition and innovation allows us to offer, in addition to our standard own-brand products, customised solutions for customers in various fields, always focusing on quality and adapting to their specific needs.

Choosing Ferragens Aguiar means choosing a company committed to excellence, quality and innovation! With decades of experience and know-how spanning multiple sectors, we have the means and capabilities to be the ideal partner for new and current projects.

Trust us to take your projects to the next level! Whether you need to adapt an existing product or create a completely new one, our team has the skills and experience to deliver optimised, efficient and innovative solutions!

Whatever your challenge, we're ready to turn your ideas into reality!

SOLUÇÕES PERSONALIZADAS

PERSONALISED SOLUTIONS

Na Ferragens Aguiar, entendemos que cada projeto é único! Por isso, oferecemos soluções personalizadas, desenvolvidas para atender às suas necessidades específicas. Seja uma adaptação de produto ou uma criação inovadora, temos o processo ideal para transformar a sua visão em realidade!

O nosso processo em 5 etapas:

Projeto e Planeamento

Tudo começa com uma consulta detalhada para compreender completamente as suas necessidades e objetivos. Este é o ponto de partida para um projeto sólido e bem-sucedido.

Desenho e Prototipagem

Criamos desenhos digitais precisos através de modelação 3D e desenvolvemos protótipos utilizando tecnologias de ponta, como corte a laser ou impressão 3D.

Fabrico de Ferramentas

Desenvolvemos ferramentas personalizadas de alta durabilidade e precisão, garantindo que cada detalhe do produto final seja impecável.

Produção

Combinamos rigor e eficiência em cada etapa do fabrico, assegurando que cada detalhe seja cuidadosamente trabalhado para entregar produtos da mais alta qualidade.

Entrega do Produto

O seu produto final chega até si com a qualidade, precisão e confiança que só a Ferragens Aguiar pode oferecer.

EN

At Ferragens Aguiar, we understand that every project is unique!

That's why we offer personalised solutions designed to meet your specific needs. Whether it's a product adaptation or an innovative creation, we have the ideal process to turn your vision into reality!

Design and Planning: It all starts with a detailed consultation to fully understand your needs and objectives. This is the starting point for a solid and successful project.

Design and Prototyping: We create precise digital designs through 3D modelling and develop prototypes using cutting-edge technologies such as laser cutting or 3D printing.

Tool Manufacture: We develop customised tools with high durability and precision, ensuring that every detail of the final product is flawless.

Production: We combine rigour and efficiency at every stage of manufacture, ensuring that every detail is carefully crafted to deliver products of the highest quality.

Product delivery: Your final product reaches you with the quality, precision and reliability that only Ferragens Aguiar can offer.
